

Benefiting **Washington County SPCA**

Hello friends,

As you choose which organizations to support in our community, we want to thank you for considering Washington County SPCA's, 2019 Spay-ghetti Dinner. The WCSPCA provides a vital service to our community as the only open-access shelter in the county, supporting over 2,500 animals each year.

The 2019 WCSPCA Spay-ghetti Dinner event will market your brand and products to over 11,000 of Washington County's most caring, compassionate and community-minded people and their friends. You will gain access to this valuable audience and help to save thousands of innocent animal's lives at the same time. Research shows that 80% of supporters are more likely to frequent businesses that support their favorite nonprofit, and they are passionate about the Washington County SPCA!

Please join us and advocate for the abandoned, abused and homeless shelter animals of the Washington County SPCA. You will also be networking and reaching over 300 Spay-ghetti Dinner attendees *in-person* the night of our event. Our 2019 sponsorship opportunities are attached. Secure the advertising level that suits your needs or call to discuss in-kind and other options. Deadline is March 15. I look forward to speaking with you.

Together, we DO make a difference!
